

Inavale Farm Summer Day Camps

We offer five day riding classes from 9:00-12:00, which gives plenty of time for instruction in grooming, tacking up, horse care, and arena and trail riding. Our horses are gentle, well trained, and experienced.

These sessions will include approximately half time riding, and half time doing other horse related activities such as live demonstrations and horse crafts. Riders will be in small groups of four or five, to keep instruction individualized and safe.

These camps are designed for kids with little or no horse experience. We are not offering a level 2 class this year, because experience varies so widely. If your rider has done an Inavale camp before, you might consider repeating camp once. If s/he has already done a couple of camps, maybe private or semi-private lessons are for you. Our instructors can customize dates and times through the summer.

2017 Dates:

July 3-7

July 10-15

July 31-August 4

August 14-18

August 28-Sept 1
